Vozzcom Named to DiversityBusiness.com's Top 500 U.S. Woman-Owned Businesses List

Leading broadband fulfillment services company makes national list and tops state small business and diversity lists

Coral Springs, FL (February 7, 2007) – Vozzcom, the leading provider of broadband fulfillment services, has been named to DiversityBusiness.com's ***Top 500 U.S. Woman-Owned Businesses List***. Vozzcom President Doreen Vozzola, the only woman at the helm of a cable outsourcing business that provides end-to-end services leads, the company which premiered at #427.

This marks Vozzcom's first appearance on the national list. The Florida-headquartered company has also been named to three additional DiversityBusiness.com lists including *Top Woman-Owned Business in Florida*, *Top Diversity-Owned Businesses in Florida* and *Top Small Business in Florida* for the second year in a row. In each category the company moved up significantly from the previous year's lists.

Vozzcom specializes in customer retention, installations, system audits, as well as executing programs targeted at expanding cable systems' customer participation in "triple play" offerings.

"We're honored to be included on each of the lists," says Vozzola. "This is a company honor. Our employees are the best in the business. They work hard to insure that Vozzcom unequivocally delivers on our clients' outsourcing needs."

The U.S. Div500 is produced annually by DiversityBusiness.com, the nation's leading multicultural B2B Internet portal that links large organizational buyers to multicultural product and service businesses. Div500 is a classification that represents the top 500 women-owned businesses in the U.S., in sectors such as technology, manufacturing, food service and professional services.

"The Div500 companies are the heroes of women-owned business in America," said Kenton Clarke, founder and CEO of DiversityBusiness.com. "These are the people that have conquered the hurdles and made the sacrifices, building and strengthening their communities, providing jobs and helping to keep the fabric of the U.S. economy together."
